Play the Bluffing Game!

Group ask student **A** a "Have you ever ...?" question. Student **A** MUST answer "Yes, I have." but can bluff or tell the truth. Group, like detectives, ask **Did** and **Wh** questions to decide if **A** is bluffing. When the group is ready to decide, say "It's true." or "She's bluffing." Student **A** tell them, true or bluff. If your guess is right, you score a point. Student **A** gets all the points for wrong guesses. Change student **A**.
