

Dirty Rotten Scoundrels

Freddy and Lawrence are confidence men. They trick women into giving them money. Lawrence lives in the high-class town Beaumont-Sur-Mer, on the French Riviera, where there are many rich women for him to prey on. Freddy is not so high class and will happily take money from any woman, rich or poor. One evening they meet on a train...

Split Viewing

When the clip is playing

Student A listener

- do NOT watch the movie
- look at your notebook
- try to catch a few words and make notes
- try to guess what happened

Student B viewer

- watch the movie carefully

When the clip stops

Student A listener

- tell the viewer any words that you heard.
- say what you think happened

Student B viewer

- listen to your partner
- try to encourage your partner Yes, that's right!
- then explain the story in detail

Clip 1

**took off her pearl necklace
offered as a contribution
the cause
refused
freedom for my people
begged him
save lives
proud
prince
accept charity
fight alongside
innocent children
accepted
took her hand
walked away**

Clip 3

how much can you get

royal ring

Your Highness

angry

walked out

overheard them

followed him outside

royalty

denied it

trust me

tried to bribe him

police chief

apologized

in trouble

forget him

brilliant

extraordinary

man of destiny

Clip 4

**walked over to Lawrence
can be trusted
one of my subjects
Fanny Eubank
In trouble
offered help
refused
at risk just speaking
pushed her into the bushes
powerful enemies
attractive
full moon
jumped over the wall
address
fair to warn you
emotional risk
widower**

Clip 5

**gave him a diamond broach
accepted on behalf of the
freedom fighters
shared out
briefcase full of money
dining car
looked for a victim
starving
saving
not good with money
raised me
been ill
hospital bills
truthful and honest**
