When I was Your Man by Bruno Mars  
Performed by Boyce Avenue and Fifth Harmony

Same bed but it feels just a little bit bigger now  
Our song on the radio but it don't sound the same  
When our friends talk about you, all it does is just tear me down  
'Cause my heart breaks a little when I hear your name

It all just sounds like ooooh...  
Mmm, too young, too dumb to realize  
That you should've bought me flowers  
And held my hand  
Should've gave you all my hours  
When I had the chance  
Take me to every party  
'Cause all I wanted to do was dance  
Now my baby's dancing  
But she's dancing with another man

Your pride, your ego, your needs, and your selfish ways  
Caused a good strong woman like me to walk out your life  
Now you'll never, never get to clean up the mess you made, ohh...  
And it haunts me every time I close my eyes

It all just sounds like ooooh...  
Mmm, too young, too dumb to realize  
That you should've bought me flowers  
And held my hand  
Should've gave you all my hours  
When I had the chance  
Take me to every party  
'Cause all I wanted to do was dance  
Now my baby's dancing  
But she's dancing with another man

Although it hurts  
I'll be the first to say that I was wrong  
Oh, I know it's probably much too late  
To try and apologize for your mistakes  
So I just want you to know

I hope he buys me flowers  
I hope he holds my hand  
Gives me all his hours  
When he has the chance  
Takes you to every party  
'Cause I remember how much you loved to dance  
Do all the things you should've done  
When you were your man  
Do all the things you should have done  
When you were your man  
Do all the things I should've done  
When I was your man
