

# Find someone who did these things this summer!

First, write the full questions. Then, walk around the class and ask your classmates. If you get a **YES** answer, write their name and get more information! You may ask **ONLY 2 questions** each, then change partner.

Yes, I did!

What's your name?

No, I didn't.

Who did...? What did...? Where did...? When? Why? How? How much? How long? How many?

Thanks.  
See you later.
